(2) Administer properly the title IV, HEA programs in which it participates; and

(3) Meet all of its financial obligations.

(b) *General standards of financial responsibility.* Except as provided under paragraphs (c) and (d) of this section, the Secretary considers an institution to be financially responsible if the Secretary determines that—

(2) Is not in violation of any past performance requirement under § 668.174.

(d) *Audit opinions and past performance provisions.* Even if an institution satisfies all of the general standards of financial responsibility under paragraph (b) of this section, the Secretary does not consider the institution to be financially responsible if—

(1) In the institution's audited financial statements, the opinion expressed by the auditor was an adverse, qualified, or disclaimed opinion, or the auditor expressed doubt about the continued existence of the institution as a going concern, unless the Secretary determines that a qualified or disclaimed opinion does not have a significant bearing on the institution's financial condition; or

(2) As provided under the past performance provisions in § 668.174 (a) and (b)(1), the institution violated a title IV, HEA program requirement, or the persons or entities affiliated with the institution owe a liability for a violation of a title IV, HEA program requirement.
